

PROGRAMME OF THE TRAINING COURSE

Jolly Phonics - Part 1 includes:

- The main principles behind Jolly Phonics – bringing fun and structure to the teaching of phonics.
- Causes of reading problems and how to avoid them.
- Teaching the first three groups of letter sounds in an interesting and multi-sensory way.
- Developing correct letter formation.
- Blending letter sounds for reading simple regular words e.g. run, hat, band, legs, rabbit, stamp, twig, dress etc.
- Developing phonemic awareness by identifying the sounds in words for writing.

Jolly Phonics - Part 2 includes:

- The teaching of the next four groups of letter sounds, enabling children to read and write hundreds of unknown regular words that use digraphs e.g. train, goat, boil, spoon, sharp, chips etc.
- Ideas for teaching children tricky words.
- Dictation – the early stages of writing.
- Practical ideas for classroom teaching.

Jolly Phonics - Part 3 includes:

- Introducing reading books – the importance of using decodable books.
- An easy way of teaching children to become independent writers.
- Giving young children a simple understanding of how the vowels work.
- Alternative ways of writing the vowels.

Plenary (questions and answers):

- Attendance certificate
