### Jolly Phonics Wall Frieze

A decorative display for your classroom showing the 42 letter sounds

This beautiful Wall Frieze shows all 42 letter sounds with beautiful new illustrations. It has seven color-coded sections that can be put up individually, used to form a continuous strip around a wall, or placed in a block - like a giant poster. Alternatively, each illustration could be cut up and laminated for use alone. (Total length side by side: 9.33m.)

Only  
\$15.00

### Jolly Plays

Bringing exciting theatre to your class.

Jolly Plays are designed to help children become fluent and confident readers, with well-developed speaking and listening skills.

Each of the six plays in this book comes with a number of additional teaching resources and cross-curricular activities, which can be used whether the children perform the plays or simply read them aloud. All of the parts in each play are color coded to help teachers select the right part for each child, and there are songs and nonspeaking parts for less confident children, ensuring that everyone in the class is included.

Jolly Plays ISBN 978 1 844148 94 3 JL8943

Only  
\$31.50

This is an affordable and fully comprehensive resource that gets exceptional results.

## Little Word Books

**Fully decodable word books for new readers.**

The Jolly Phonics Little Word Books have a very carefully controlled vocabulary and are specifically designed for children who are learning to read and write with Jolly Phonics.

The text in the first two books uses only decodable regular words made up from the first group of letter sounds; the text in the next two books uses only the first and second groups of letter sounds, and so on, so that the number of sounds used in the text builds up cumulatively.

Tips for teachers and parents are also included within each book.
