Phonics Sample Lesson
Our phonics sample lesson is filled with fully annotated information—lesson plans, detailed teacher’s notes and photocopiable worksheets and resources—to show you just how easy and fun it is to use Jolly Phonics; the world-famous, multi-sensory phonics programme proven in boosting children’s reading and writing skills!

This sample lesson will focus on the letter sound /r/.

This sample lesson focuses on our three core delivery resources:
• Phonics Teacher’s and Pupil Books (full colour write-in books)
• Jolly Phonics for the Whiteboard (interactive software)
• The Phonics Handbook (black and white photocopiable resource)

Each of these resources deliver the same content, providing structured daily lesson plans and detailed teacher notes for 1 year of learning. They are designed to provide alternative options, so teachers can choose which is most appropriate for their class.

We’ve also included information about several of our supplemental resources which, used alongside our core resources, are an excellent way of reinforcing children’s learning.

1. Jolly Phonics Teacher’s and Pupil Books
   • Extensive teacher’s guide containing detailed notes and daily lesson plans
   • Full-colour pupil write-in books for each child, filled with activities and writing practice

2. Jolly Phonics for the Whiteboard
   • Full and extensive interactive lessons
   • Teacher’s notes and additional worksheets that can be viewed on screen or printed
   • Includes audio for all the Jolly Songs, Jolly Jingles and stories

3. The Phonics Handbook
   • Detailed notes and daily lesson plans
   • Black-and-white photocopiable worksheets for each child
   • Over 100 pages of photocopiable sheets, including activities and games for reading and spelling.
Jolly Phonics uses the synthetic phonics method, which means that the letter sounds are taught first, on their own. Children are then taught to blend sounds together to say (‘synthesise’) the word.

There are five basic skills for reading and writing, each of which are incorporated within the Jolly Phonics programme.

1. Learning the letter sounds
   Children are taught to identify the 42 main letter sounds. This includes alphabet sounds and digraphs, such as /sh/, /th/, /ai/ and /ue/.

2. Learning letter formation
   Using different multi-sensory methods, children learn how to form and write the letters.

3. Blending
   Children are taught how to blend the sounds together to read and write new words.

4. Identifying the sounds in words
   Listening for the sounds in words gives children the best start for improving spelling.

5. Learning tricky words
   Tricky words have irregular spellings and children learn these separately.

**Discover a literacy programme that is systematic and progressive, building on the first year of phonics with an additional six years of spelling, punctuation and grammar!**

The Jolly Phonics programme extends with an additional six years of spelling, punctuation and grammar teaching. Progressive and systematic, it builds on the children’s previous learning, revising and refining skills whilst introducing new concepts.

After a quick revision of previous letter sounds, and the introduction of the new letter sound /r/, children are given the opportunity to see and practise the letter formation.

There are then multiple activities—which can be done as a class on the whiteboard, and printed for individual use later—to reinforce learning. All of these slides are supported by printable teacher notes so that the lesson is easily planned!

8. Letter Formation Practice
One of multiple slides to practise letter formation. The children can watch how the letter should be correctly formed, before taking it in turns to practise in front of the class on the whiteboard.

9. Class Activity

2. Storyline: A boy has a playful puppy. The puppy finds an old blanket. He grips it in his teeth and shakes it from side to side. The boy grabs the blanket, but the puppy hangs on tightly, going /rrrrrrrrrr/! The blanket rips! It looks like a rag now, so the boy calls his puppy ‘Rags’.
