

Synonyms

REMEMBER Synonyms are words which have the same meaning, or nearly the same meaning, as another word. How many can you think of for the words 'happy' (below) and 'sad' (bottom)?

Replace the word 'happy' with a different synonym in each of these sentences.

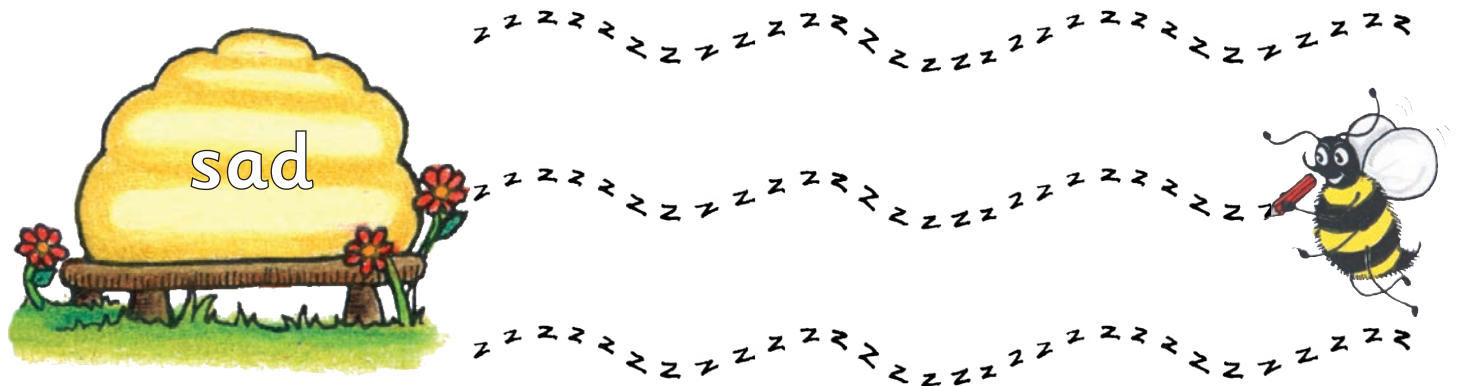

The film had a **happy** ending.

She was in a **happy** mood because the sun was shining.

Playing golf makes me **happy**.

Replace the word 'sad' with a different synonym in each of these sentences.

He felt **sad** that he had not won the competition.

The lady seemed **sad** that the weekend was over.

Saying goodbye to her class made the teacher **sad**.
