

# The Talking Dog!

By: \_\_\_\_\_

Imagine that you are walking through the park when a dog suddenly starts talking to you! What does it have to say? What would you do?

## Questions to think about:

What does the dog say to you?

How do you feel about seeing a talking dog?

Would you tell anyone about the talking dog?

What would you say to the dog?

If he asked you to do something, would you listen?
