Name a word that rhymes with **CAT**.

Name a word that rhymes with **MISS**.

Name a word that rhymes with **LID**.

Name a word that rhymes with **HUT**.

Name a word that rhymes with **FILL**.

Name a word that rhymes with **HOT**.

Name a word that rhymes with **BED**.

Name a word that rhymes with **TIN**.

How to Play:

Print and cut out around the red square. Fold in half and in half again. Open out, turn over so that you are looking at the blank side and fold each corner into the centre. Turn over and repeat. Turn over again to see the words. Side your thumbs and index fingers behind each word and press together so that they touch in the centre.

Ask someone to choose a word and then open and shut the game as you sound out the word chosen. Choose a number inside and open and shut the game that many times. Choose another number and look behind it. Complete the challenge written underneath.
