

Victoria Carlton's Loving **LITERACY** Program

This is a balanced literacy approach that incorporates **Victoria's CREAM** strategies with the **JOLLY LEARNING** programs conducted by the Internationally acclaimed **CHILD WHISPERER** writer and educator and World #1 Jolly Phonics coach, Victoria Carlton!

This is based on evidence based pedagogical principles as well as practical research at Victoria's Perth based Centre.

During this **DYNAMIC, PRACTICAL and FASCINATING** 3 days you will learn:

- How to get children ready for formal learning including phonological awareness, fine motor skills and visual and auditory discrimination
- How to teach synthetic phonics
- What important spelling, grammar and punctuation skills are needed and best ways to teach them
- How to choose picture books and use them effectively to build reading skills
- What you can do to help children LOVE reading and improve comprehension
- How do we make sure children learn to write with skill and creativity?
- How to choose appropriate resources, creative and home-made teaching aids for literacy games and improving reading and writing standards
